

2018 Summer BOT Audio Video Committee Report

At the end of WSSMA 2018 Conference, Tom Wolfe CMA (AAMA), past Chair, transferred the entire inventory of audio video equipment to my care. I have since then reviewed the inventory and stored it at my residence. I am attempting to become familiar with the operation of the audio video equipment to help assist those who will be using the equipment. Projector will be available for use at the Summer BOT as requested by Janice Sappingfield CMA (AAMA) WSSMA President.

Respectfully Submitted,

Barbara Fallstrom CMA(AAMA)

WSSMA Audio Visual Committee Chair.
