

## **Chapter Extension Quarterly Report**

### **Summer BOT August 2018**

After Conference, letters were mailed to current Sea-Tac Chapter members informing them of a June 30<sup>th</sup> meeting held at Highline College to discuss the future of the Chapter.

Report of June 30<sup>th</sup> meeting: The only Sea-Tac members who were in attendance were Pat Hightower, Debbie Johnson, Laurel Lunden and Babs Cerna. Only Pat was interested in trying to keep the chapter going. After further discussion a motion was made and seconded to dissolve the chapter. A vote was taken. Motion passed.

Laurel took minutes at this meeting. She printed them off for us to take to the bank.

Pat, Debbie, Babs, Janice and I went to the US Bank to close the account. The account has been closed and money was deposited into WSSMA Bank account.

Sea-Tac Chapter will be discussed under unfinished business.

If anyone has any interest in starting a chapter, please contact us.

We continue to list contact info on the WSSMA website.

We are available to mentor our new chapters.

We would gladly welcome members to this committee.
