

Membership Roster Committee Summer Quarterly Report

August 18, 2018

An updated WSSMA membership roster was recently e-mailed to all WSSMA Officers, Committee Chairs, and to Chapter Presidents. Chapter Presidents also received their chapter roster in a label format to print out.

AAMA sends the WSSMA roster in an Excel format. This roster is separated into chapters and streamlined before sending on to WSSMA members.

Not all Chapter Presidents and/or Committee Chairs could have the Excel program available on their computers, so if you're unable to open the rosters please let us know and the rosters will be sent to you in PDF format.
