

NANCY FORTIN SCHOLARSHIP COMMITTEE REPORT

Summer 2018 Update

August 8, 2018

The Nancy Fortin Scholarship committee has met only via email since the Spring BOT meeting. During this time, we have had an opportunity to examine the goals for this committee. We have a common goal of ensuring that program directors within the state are familiar with the scholarship and are able to offer it to their students. Ultimately, we would like to be able to gift this scholarship as laid out in the standing rules twice yearly.

We are in the process of updating the forms for the upcoming deadline in October, so the applications go to the right place. We have also asked our webmaster Robb to update the contact information on the WSSMA website as well.

We have not received the banking information from the previous committee chair to review at this time.

Respectfully Submitted,

Rhi Drake, CMA (AAMA), Chair
Nancy Fortin Scholarship Committee
