

Publications / STATLINE Summer 2018 BOT Report

Statline is an ever changing, now web based, document. It's is designed to educate the reader about a plethora of topics of interest.

The Statline chair wishes to thank the members who took time and privately commented about the contents.

Statline is an excellent source/medium to advertise chapters' past, present and future events for all to enjoy.

Suggestions for article topics greatly appreciated. This is your digital newsletter, please let the chair know what you want in it.
