

WSSMA Public Relations Summer Report 2018

I attended the ER Physician's Conference at the end of May that was held at Bell Harbor Conference Center in Seattle. They apparently had meant to tell me that they were not accepting applications for donated table at this event. I arrived not knowing this event not know this but they were very accommodating and had a table set up for me to use. I did make some contacts with the Physician's but not to say it was a waste of time but after the reception at WAPA it was disappointing. They were very nice and the food and other vendors were great. I just don't think this is a good venue for us to get the word out about WSSMA. Thank you Cathy Lucino-Mitchell for letting me sleeping on your couch along with dinner and all. It was wonderful getting to know you.

I have sent in the exhibitor form for WAPA Fall conference in the Suncadia Resort October 25-27, 2018. I have yet to hear if they have room for me to have a table there.

Respectfully submitted,

Laura Brett CMA (AAMA)
