WASHINGTON | State Society of Medical Assistants

Whatcom County Chapter Quarterly Report, August 02, 2018

Whatcom Chapter of Medical Assistants meets every third Tuesday of the month.

In the month of June our speaker was: Zachary Doobovsky, BSN, RN, CIC and he is currently working for Whatcom Health Department. The topic was: "Common STIS: signs, symptoms and treatment"

For the month of July, we did not had an education meeting. We only had a business meeting to organize and plan for hosting our WSSMA 2019 conference.

Sincerely,

Gladys Johnson, CMA (AAMA)
WCCMA Chapter President
