It was discussed during Conference that our Chapter will continue chapter meetings at a quarterly schedule in order to remain an active chapter. In advance, notices were sent out to members via Facebook, looking active members to become new officers with the guidance of past officers or members to help with the chapter. There was indication current officers are overwhelmed due to the tax of two people running the chapter for the past five years. Formal letters and email are pending to be sent out to all SICCMMA members with the help of Sandy Erlewine, CMA AAMA, CPC of Yakima Chapter, and Susan "Sue" Rodenberger, CMA, AAMA of Whatcom Chapter.
